Details about venue and accommodation

Venue: Kulturfyren, **Svartmangatan no. 6G**, 1st floor, in the old town of Stockholm close to the Royal castle (metro Gamla stan). Code for the door: **5022**. If the group exceeds 12 participants the venue will be changed.

Transportation: Metro map [here](#). The sign for the metro is a “T” (Tunnelbana is the Swedish word for Metro). You can pay with card and you can buy a card for several days. From Arlanda airport you can go by bus or the Arlanda Express train to the Stockholm central station. Bus is cheaper and takes 45 minutes. The train cost slightly more but goes faster, 20 minutes. Go to <https://www.visitstockholm.com/travel-info/> for more information. Do not take a taxi unless it is a serious taxi company and always ask how much it will cost before you jump in. See also, www.visitstockholm.se.

Accommodation: Please, contact info@knowledgepro.se if you need to discuss accommodation. The best way is to contact hotels directly.

Cheaper hotels and appartement hotels: If you need cheaper accommodation an **air-bnb** or a hotel with lower standard can be an option. Appartement hotels will also be a cheaper alternative. Please, contact us before you make a reservation through **air-bnb** so that we can see that you have chosen a **safe area if it is situated in the suburbs of Stockholm**. The inner-city is safe everywhere but in the suburb there are some areas that should be avoided.

Sightseeing and boat trip dinner

There will be separate information on a joint guided sightseeing activity and a pre-booked boat trip (only from April-September) dinner on Wednesday or Thursday. Knowledgepro will pay for these activities except for food. In the winter months the boat activity will be replaced by another activity.

Course certificate and Learning agreements

All participants will receive a course certificate after the completed course. This will be handed out or sent to the participant by post on Friday afternoon. It is important that participants fulfil the whole course and **do not book flights earlier than 5.30 pm on Friday**. The sending organisations' own documents such as learning agreements have to be mailed to Knowledgepro at least **two weeks before** course start date. NB! For courses it is not mandatory with a learning agreement. It is up to your school/NA to decide. As soon as payment has been finalised Knowledgepro and the participant are in agreement. The participant will get a certificate of attendance with learning outcomes confirmed by the finalisation of the course. Attendance should be 100%. Knowledgepro can also sign other validation tools such as Europass.
